

16 February 1961

Lakehead Amateur Radio Club

Meeting called to order at 8:30 pm in the Civil Defence Building, Fort William.

Roll call of members and visitors a total of ...

Minutes of the previous meeting read by the Secretary, Frank Start - VE3AJ and adopted on motion of Bev Biggs - VE3ECA, seconded by Pat O'Shea - VE3FW.

President, Harold Dow - VE3DBI, spoke on the very successful meeting held in January and called for a vote of thanks to E. Goodier - VE3EDR for his efforts in organizing the affair.

A report given by the Secretary, Frank Start - VE3AJ, outlined the origin of the Club Bulletin, "High Q", gave a statement on the cost of production and called for a vote of thanks to Jon Ogden - VE3ECO and his assistants in bringing the Bulletin to its present form. (*See attached Memo to Minutes.*) A general discussion followed regarding the Bulletin and suggestions were made by Bert Tamblin - VE3ANP, Ken McDonald - VE3ECK and Pat O'Shea - VE3FW. A motion was then made by George Lord - VE3BYG, "That the Executive explore methods towards the continuation of "High Q" and draw up a proposed slate of officers for this work." Seconded by J. C. (Jim) Bailey - VE3DGZ.

The 75 meter Northwest Ontario Net then came up for discussion in which Bert Tamblin - VE3ANP and Les Harris - VE3AYZ took part. The latter suggested that a committee be organized to examine the situation. George Lord - VE3BYG proposed that the re-organization could be undertaken by the new executive which would be taking over in March.

The feature attraction of the evening then followed. Numerous pieces of equipment, old and new, in various stages of organization and disintegration came under the auctioneers hammer wielded by Harry Stephens - VE3AIT.

Meeting concluded at 10:45 pm with coffee and doughnuts.
